Alpha Delta Phi is one of the newest chapters at the University of Illinois after refounding in 2020, but that hasn't stopped them from already setting and accomplishing lofty goals while growing at an impressive rate. ADPhi has established an exceptional reputation by focusing their attention on three pillars of Social, Moral, and Intellectual development. In Spring 2022, the Alpha Delt brothers had the highest average GPA of all fraternities on campus (3.52) and raised over \$12,000 for charity, all while solidifying one of the most social and close-knit brotherhoods
