

Justin Miner

My name is Justin Miner, and I am a sophomore studying Mechanical Engineering with a minor in math, and I am from New Jersey, I am a proud brother of Theta Chi where I have served as House Manager and Scholarship Chair. In my role of VP of Scholarship and Service, I hope be a resource for scholarship, service, and philanthropy chairs. I hope, during my term, to help all scholarship chairs learn how to better assist their chapter, help give back as a Greek community, and how to hold successful and safe philanthropy events. Feel free to reach out to me about anything related to my position, school, or Greek life in general!
